Each block of 9 credits, \$120

1. Purchase and read any of the Workbooks pausing to try some of the ideas.
2. Choose your payment option: either mail a check or go to my website and pay on the “home study” page using your credit card.
3. For each block of 9 credits, choose 3 Tips that particularly challenge, intrigue or compel you. Go through the “Practice Steps” section taking at least a week (or a few months) to experiment with each Tip.
4. Choose one of the two “interactive components” of the course:
 - a. Phone option: E-mail me at molly@mollykellogg.com, or call 215-843-8258, telling me which Tips you chose and suggesting the best times of day and days of the week for us to schedule a 30-minute phone call. On our phone call we will review your experiments. Prepare for the call by taking a look at the questions in the written option since the call will follow that format. You will have the opportunity to ask questions and develop more ways to advance your counseling proficiency.
 - b. Written option: Complete the attached form for each of the Tips you have chosen. Either e-mail, fax or mail them to me.
5. You have up to 1 year from payment date to complete the course. Your certificate for 9 credits will be mailed within two weeks of completion.
